

PRINCIPAL ADVISORY COUNCIL MINUTES

Date: November 7

Time: 3:00 PM

ATTENDANCE

October data looked much better than September! Four grade levels go up with 5th grade not only winning October but improving by almost two and a half points! The other grade levels that did not go up any, stayed basically the same and did not drop.

Please send your children to school every day unless they are sick!

Please plan trips during school breaks or holidays so they do not miss any more days.

BUDGET

We received our budget on October 31.

We had more students than projected. This mean our staff is appropriate and our budget will not be as tight as we anticipated

We will be able to help fund things such as; hands-on science supplies, school supplies and help support field trips.

HOUSEKEEPING

Morning activities started this month. Both activities start at 8:00 a.m. and doors will not open before that time. We do not have staff here before 8:00 a.m. to provide supervision so it is essential that you stay with your student until 8:00 a.m. Thank you for partnering with us to keep all our students safe!

Report cards will be available on November 14. . If you have not activated your Parent VUE account, please do so as soon as possible. As a reminder parents need access to ParentVue to see their child(ren)'s teacher, bus information, school calendar, grades, and report cards. If you have forgotten your password, please call the ParentVUE helpline at 703-791-8826.

SCA Food Drive will run November 6-20. Some ideas for canned foods include: boxed rice, boxed meals, dry pasta, nut butters, cereal, boxed mashed potatoes, jam. The class with the most donated food will have a pizza party sponsored by the student council!

The school nurse is asking that students in K-2 bring an extra set of clothing in their backpack. We have had students coming to the clinic who have had an accident or gotten muddy without a change of clothes.
