SOL Schedule

We have completed the first round of SOLs. Retakes will begin on May 26. We ask that no medical appointments are made on their SOL days. If we must stop a student while they are testing, they will have to start all over the next day instead of being able to finish the test. Thank you!

Last Day of School Schedule

The last day of school (**Friday June 12**) will be **half-day**, which means our hours will be **9:20-12:25**. On this last day we ask that students go home using the way of transportation they have used throughout the school year. It is important to let babysitters/family know. If your child goes to SACC, they have normal hours.

Bus Behavior

Bus drivers have seen an increase in bus behavior. We're asking that you speak with your children about safe bus behavior and remind them of the rules we have in place to keep everyone safe. Please remind them to sit on their bottoms, no screaming, eating or distracting the driver.

In addition to our three rules of Be Respectful, Be Responsible, Be Safe the bus rules are:

- Sitting correctly facing front
- Talking quietly with their seatmates or across the aisle
- No eating on the bus
- No distracting the driver

We know that some of our students have to sit for a long time waiting for their bus but the best way to get home safely is for everyone to follow the bus rules. Thank you for your help with this!

Respectfully,

Dr. Marsilio, Mrs. Rivera, and Ms. Suggs
